Subject: The Magic of Reality

JE,

I have a copy of Richard Dawkins's new illustrated book "The Magic of Reality" for you. It's a book for kids 8 to 80. What's the best mail address for you this week?

The UK edition of the book was published last week and immediately hit #2 on THE SUNDAY TIMES bestseller list. The iPad App, which is one of the best yet, went on sale last night globally:

[REDACTED] Attached below is the first serialization in THE SUNDAY TIMES.

Also, here's the Brockman, Inc. Frankfurt Book Fair Catalog including new books by Danny Kahneman, Elaine Pagels, and Steven Pinker, among others. If any of the titles are of interest to you, please advise.
